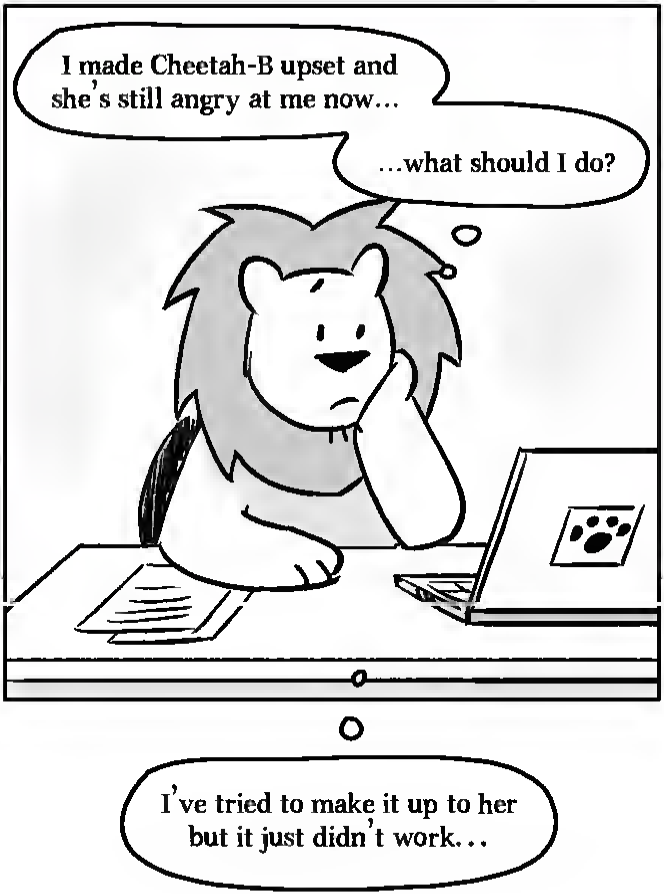
50 Shades of Sorrow



I made Cheetah-B upset and she's still angry at me now...
...what should I do?
I've tried to make it up to her but it just didn't work...

Take #1

Hey Cheetah-B, do you wanna go out for lunch together?
Leo's version of saying sorry
No.

Take #2

Hey Cheetah-B, do you need some help with work?
To show care and responsibility
No.

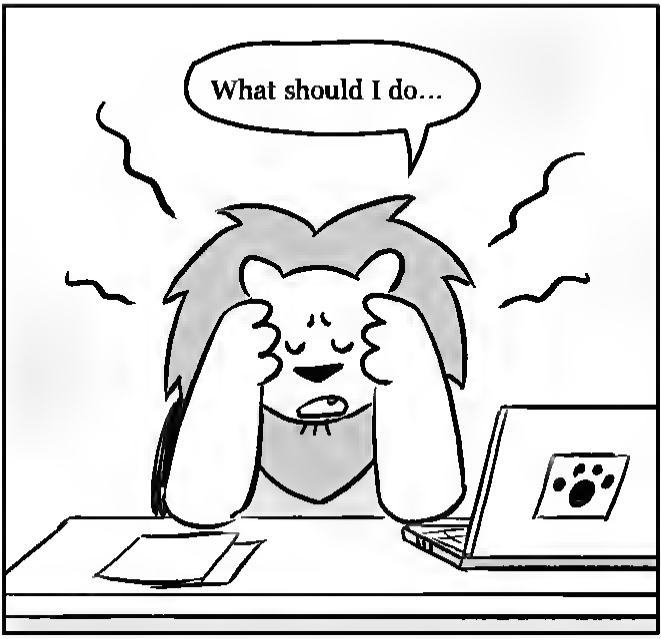
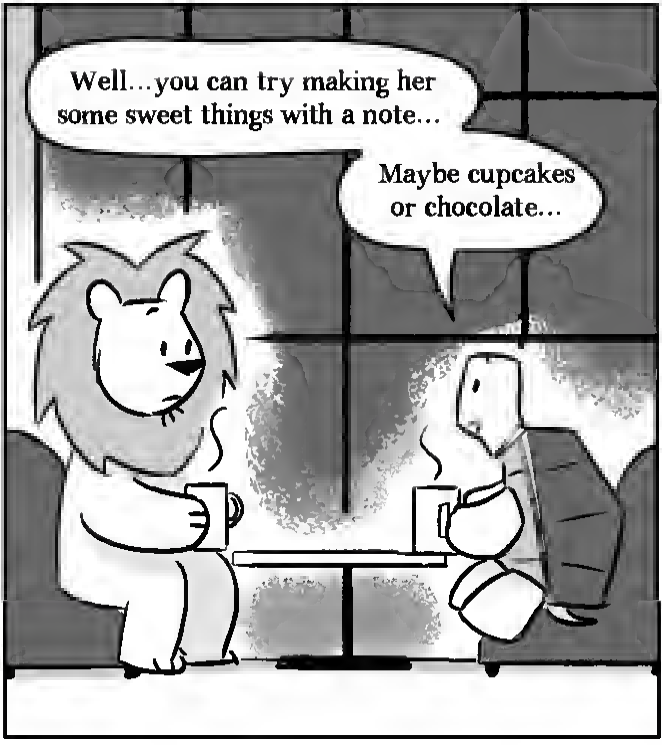
Take #3

Hey Cheetah-B, let's go watch a movie this weekend...?
To reignite the friendship
No thanks.



What should I do...

I need some advice!

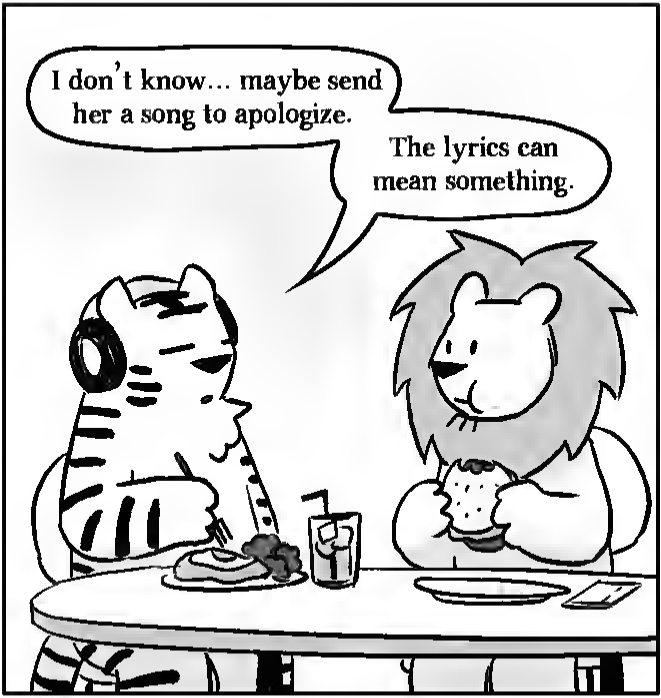


Well...you can try making her some sweet things with a note...
Maybe cupcakes or chocolate...

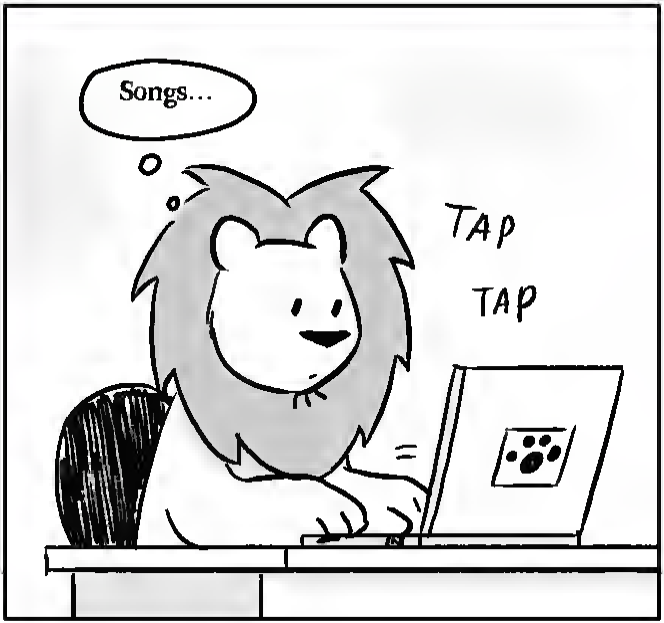
CHOCOLATE
COCOA

I'M SORRY

Do you like the chocolate?
Don't you know I don't like desserts, especially milk chocolate?



I don't know... maybe send her a song to apologize.
The lyrics can mean something.



sorry song _

Yeah I know-o-o
that I let you down

Is this too late
to say sorry now

SORRY
JUSTIN BEAVER

Hey, did you listen to the song I send you?
Wrong choice of song.

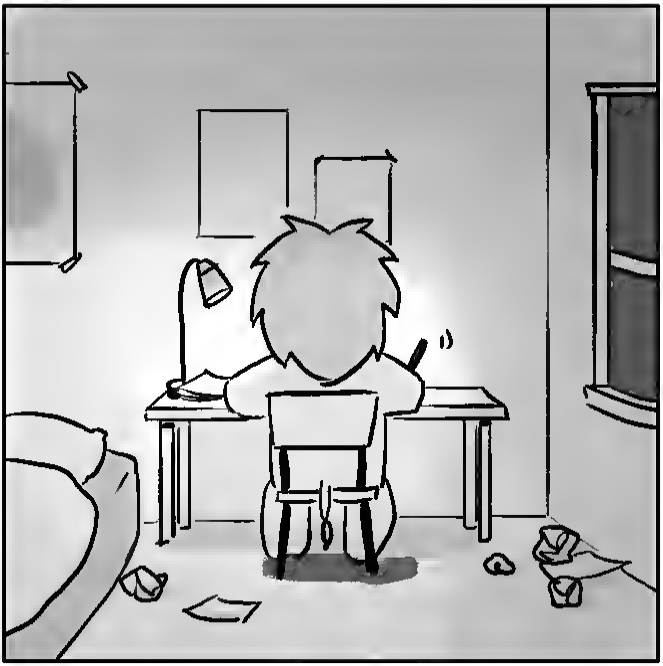
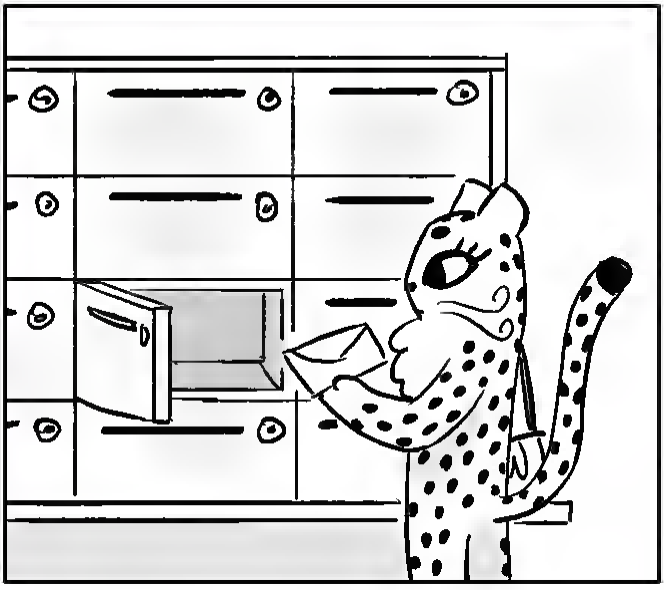
I'd say you can try writing a letter or poem to express your feelings.
It's quite a romantic gesture too.

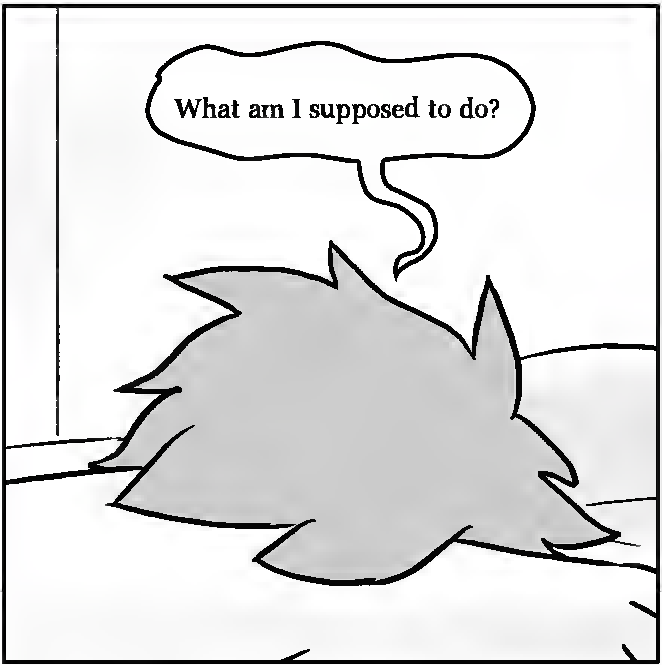




Roses are red.
Violets are blue,
Cheetah-B is angry
and I'm sorry
Leo

Um, did you get my letter?
Is this a joke? I don't feel sincerity at all.

flop



What am I supposed to do?

What does she want?
Why are girls so hard to understand!?

Got this from Leo today.

What kind of poem is this?
ahaha!

I can't believe he did all these.
Well, he wants to apologize.

You know he's sorry.
Why not accept his apology?

I'll stay angry for a while.
